© If you want to meet a hog ©

If you want to meet a hog
you must have a filthy dog
which lives on the great, big log

I know a hog
who's living in here

He's a-Huge, He's a-Lonely. He's a-smelly
He's as old as a grandpa

Yes if you really want to meet a hog
You must have a filthy dog
which lives at the end of the great, big log

Walk up slowly to that log and shout

Grandpa hogy hog
Grandpa hogy hog
Grandpa hogy hooooooooog

And up he'll pounce
But don't stay for too long

JUST SCURRY FOR YOUR LIFE!!!!
