IF YOU WANT TO SPY A Ladybird

If you want to spy a ladybird
You must go up to the perfectly slushy
end of the new African forest

I know an a ladybird
who is staying there -
she's a - Sweet, she's a - Tiny, she's a - great one.
she's so cute.

Yes, if you really want to spy an ladybird
you must go up to the perfectly slushy
end of the new African forest.

Go up gently to the forest and say
"ladybird come here"
"ladybird come here"
"ladybird comeee here!"

And up she'll fly
but you can get stic around
her for your life of GUTE
