

If you want to handle a
multicoloured dolphin

If you want to handle a multicoloured dolphin
you must visit the cool, turquoise
middle of the Pacific Ocean.

I know a dolphin
who's diving down there
She's a-Cute. She's a-Shreward. She's a-Noble.
She's a-Diminutive.

Yes, If you really want to handle a multicoloured dolphin
you must visit the cool, turquoise
middle of the Pacific Ocean

Tiptoe down timidly to the Ocean and exclaim
Magnificent dolphin
Magnificent dolphin
Magnificent dolphiniiiiiiiii

AND UP SHE 'LL POP
BUT DON'T PANIC
JUMP IN AND SWIM!
