If you want to meet an KANGOROO  
you must go down to the hot dusty desert  
at the other side of the world.

I know an kangaroo  
who's living down there-

She's a-cute chache

She's a-massive

She's a-Whick

And she's a piece too

Yes if you really want to meet an Kangaroo  
you must go down to the Hot dusty desert  
at the other side of the world

Go down gently to that desert and say

'Kangaroo Mama,  
Kango roo Mama

Kangaroo Maaaaaa

And up she'll jump

But dont hang around

Sprint away in the hot sand!!!
