

# IF YOU WANT TO SPY A TIGER

If you want to spy a Tiger,

you must run up to the slippery slushy  
end of the red Lully Forest.

I now a Tiger who's dancing  
up there - She's a - Mean. She's a - enormous.  
She's a - dancing Tiger.

Yes if you really want to spy a Tiger you must  
run up that Forest and shout,  
Large Tiger  
Huge Tiger  
~~Scary Tigeeer!~~

And up she'll  
dance. But don't  
stick around.

DANCE FOR YOUR LIFE!
