

# IF YOU WANT TO SPY A KANGAROO

If you want to spy a Kangaroo  
you must move up to the dancy crazy  
beginning of the new Kangoory desert.

I don't know any Kangaroo  
Who's dancing over there?  
She's a-jumpy. She's a-dancy.  
She's a-malicious. She's a-cute.

If you really want to spy an Kangaroo  
you must move up to the dancy crazy  
beginning of the new Kangoory desert.

Move up gently to that new Kangoory desert and shout

'Mama Kangaroo

Mama Kangaroo

Mamaaaaaa Kangaroooooo'

And up she'll bounce  
But if you are scared  
DANCE FOR YOUR LIFE!
