If you want to listent to a leopard

If you want to listent to a leopard
you must progress down to the scary bloody
end of the old mountain.

I Know a leopard

who's flourish down there

He's a-Mean. He's a-enormous He's a-cruel
He's a-Wild.

Go down that mountain gently and said:

'Leopard Leo

Leopard Leo

Leopard Leooooooooooooo

And up she'll rise

But don't stay there

RUN FOR YOUR LIFE!
