

IF YOU WANT TO SPY A WHITE TIGER

If you want to spy a white Tiger
you must creep under the huge trees
to the end of the jungly jungle.

I knew a white Tiger
who's living down there

He is a-Mad. He is a-Stripy. He is a-Huge. He is a-Savvy

Yes, if you really want to spy a white Tiger
you must creep under the huge trees
to the end of the jungly jungle.

Go deep down to that jungle and say,
'Stripy white Tiger
Stripy white Tiger
Stripy white Tigerreeeeeeer'

And up hell rise

But don't stay there longer

OR YOU'LL BE HIS LUNCH!
