

IF YOU WANT TO OBSERVE AN OSTRICH

If you want to observe an ostrich dancing,
you must get on up the village to
the jungle through the river in the solid
slushy forest.

I know an ostrich
who's living up there -
She's a - Nice, She's a - Huge, She's a - Restless,
She's a - Smart and she's a very very friendly ostrich.

Yes, if you really want to observe an ostrich dancing,
you must get on up the village to
the jungle end on the solid slushy forest.

Go up loudly to that forest and say,
Get down ostrich
Come on dance
Come on ostriiiiiiiiich.

And up she'll rise

But don't stop and watch

DANCE UNTIL YOU ARE GOING TO DIE!!!
