

If you want to talk to a parrot

If you want to talk to a parrot
you must be a chatter box
Because she's out of her cage

I know a parrot
who's flying up there

She's a-Beautiful. She's a-Bossy. She's a-Talkative
and colourfull.

Yes, if you really want to talk to a parrot
You must talk for hours
Yes, to be a chatter box

Talk tenderly and say:

'pretty parrot
pretty parrot
pretty paraaerrot'

AND SHE WILL REPEAT
WHAT YOU HAVE SAID
IT WILL BE AMAZING
