

IF YOU WANT TO CATCH A LEOPARD

If you want to catch a leopard
you must travel to the mucky slithery
end of the historical Rocky dave

I know a leopard
Who's staying in there

She's a - Uncharitable She's a - Halking
She's a - Merciless

Yes, if you really want to catch a leopard
you must travel to the mucky slithery
end of the historical Rocky dave.

Go down gently to the jungle and express
Spotty leopard
spotty leopard
Spotty leopard

And up she'll appear
But don't hang around

IF YOU WANT TO SURVIVE, SPRINT AS FAST AS YOU CAN !
