

IF YOU WANT TO STROKE A POLAR BEAR

If you want to stroke a polar bear
you must travel to the Cold, Windy
end of the snowy North Pole.

I know a polar bear
Who's inhabit with her babe's
She's a - Protective. She's a - Furry. She's a - beautiful.
She's a - agreeable.

Yes, if you really want to stroke a polar bear
you must travel to the Cold, Windy
end of the snowy North Pole.

Travel down gently to the North pole and whisper
'polar mama'

'Polar mama'

Polar maaaaaa'

And up she'll appear

But don't wave at her

RUN FOR YOUR LIFE!!!!
